MATHS OLYMPIAD

Muziwandile Dube, Tinomudaishe Gozhora, Tawananyasha Tivapasi, Munashe Mudabura, Malachai Uys, Sharif Wilson, Tinaye Gwande, Evans Matenga, Karen Mapika and Rly Nyakura qualified for the second and final round of the Old Mutual Maths Olympiad Competition.

SWIMMING

Donata Katai qualified for the Junior Swimming World Championship to be held in Budapest in August.

Page 2

FROM THE HEADMASTER'S DESK

Second term is always a hectic and busy term and this one has not disappointed in that regard at all. To call them challenges would be an understatement because it wouldn't do justice to their nature, if ever there was a time that we have needed to keep our focus on our creator, now is the time. In Deuteronomy 31:8, we are encouraged by these words, "The Lord himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged."

We welcomed Mr Ndheka to our Music Department taking over from Mr Jera. Mr Ndheka has already made a huge impact as was seen by the quality performance of the musicians during the school play in June. There is also greater buy in from the students for the culture of praise and worship that we are trying to inculcate in our students at assemblies. Mrs Masvikeni came in as relief for Ms Chimbunde who was on half a terms leave. Miss Dube also came in as relief for Mrs Chifamba who went on maternity leave and was blessed with a baby girl (Christine Chifamba).

In the second week of term, we had four overhead cables stolen from Dominique road which caused major problems as it meant that we had no electricity for two and a half weeks and had to operate on generator for most of the day. A parent came to our rescue and managed to push the electricity company to replace the stolen cables and restore our power. Little did we know that ZETDC would introduce a horrendous load shedding program which would see us needing to run our generator for most of the day again. This has been a huge burden on our already stretched budget, notwithstanding the fact that fuel is not the most readily available in the country. These are some of the challenges that we are all facing in our beloved land. Our May/June examination public exam session went well and the visit from the Cambridge inspector produced a pleasing report for the standards at our exam center. Well done to Mr Masaya and the Exams Department. We pray and hope that our students that wrote these exams will receive a bountiful harvest when the results are out.

May I take this opportunity to thank the parent body that has paid fees timeously in a difficult economy where things can change overnight. Your support is greatly appreciated. May I also encourage those that have had challenges in making payments to come and negotiate a suitable payment plan so as to not inconvenience your children's learning process. The atmosphere has certainly been tense of late with regards financial issues as was evidenced at the fees meetings. The struggle is real and we acknowledge that. The school remains committed to providing quality Christian Education for the benefit of our community and to God's glory.

In 2 Corinthians 4:8 the word of God states: "We are hard pressed on every side, but not crushed; perplexed, but not in despair" this aptly describes the situation that we find ourselves in; and offers some encouragement to us as children of God. May I encourage you that we are in this together,

as we were when we began the journey together at each of our school entry points, 2 Corinthians 8:13 says: "Our desire is not that others might be relieved while you are hard pressed, but that there might be equality." We are a family and a commu-

nity and we stand together as we serve one another and glorify God.

BUSINESS STUDIES TRIP TO TRADE FAIR

The Business Studies Department organised a trip for the A level class to visit the Trade Fair in Bulawayo, "the City of Kings" over the holiday. The department organised the trip with the hope that the students would get a chance to interact with business leaders and their products and get a feel of the companies that were still doing business in Zimbabwe.

The students managed to learn a great deal as they were able to visit many stands and interact with exhibitors, owners and top business leaders. One group even managed to have a discussion with the Deputy Minister of Agriculture at the Ministry of Agriculture stand. Students got to appreciate the complexities of running businesses and the decisions that businesses have to make to survive the harsh economic climate that is prevailing in the country. Some were surprised by the many small businesses that were exhibiting their wares such as homemade candles, baobab carpets and pottery as the small businesses

seemed to be making profits out of hobbies. A few students then had ideas of their own that they thought could turn into viable businesses.

It was not all business as usual as we managed to take time to visit the Matobo National Park which is a Cultural World Heritage site. The stark beauty of the rocky outcrops and flora and fauna was a good break from the hustle and bustle of the city of Bulawayo and business at the Trade Fair. We managed to visit Cecil John Rhodes' final resting place at Malindidzimu, the 'hill of the spirits'. The guides gave us a history of the Matopos and the tourist attraction in the park. We were told that the park has the highest number of leopards in the world, many different types of falcon and the white rhinoceros. On our way out we saw a herd of white rhinoceros which are truly one of the many wonders of God's creation.

CAREER FAIR IN PHOTOS

Remember your Creator in the days of your youth, Ecclesiastes 12:1

CAREER FAIR

The future of Zimbabwe's workforce is heavily dependent on how we guide students to make informed career decisions. We need to think about the challenges our secondary school graduates will face in the job markets of the future. Graduates of the future will enter a job market which is changing rapidly - many of our current students could end up working in jobs that don't exist yet! What are we doing as educators, counsellors or parents to prepare students for a future that is indeterminate? Are our students ready for the future?

The future requires our education system to equip students with mental elasticity and complex problem-solving skills, critical thinking skills, creativity, people skills, STEM skills and ability to use interdisciplinary knowledge in solving real-life problems. At Gateway High School, we have a Career Guidance program designed to prepare students to acquire skills for a job market of the uncertain future.

This year we hosted a Careers Week (17-20 June 2019), our hope was to challenge students, educators and parents, to think about what the future holds. On the 17th of June, we had a Career Counsellor's workshop designed for Career Counsellors and Teachers. We had presenters from acclaimed International and local Institutions such as EHIL Hospitality and Business School (Switzerland) and SAHTC Hospitality School (Harare) who presented on Careers in Tourism and Hospitality as well as International Business. Gateway Christian Training College presented on careers in Christian Education and Sports Management. Parents/ Guardians also had a workshop on the 18th to focus on how they can support both the school and their child make informed career decisions. We concluded the Careers week with our Annual Career Fair (20 June 2016), which hosted over 60 exhibitors promoting different career paths available for students. Our exhibitors also focused on raising awareness of the different skills required for different professions. Our focus is to expose students to different careers options.

We appreciate the support we got from our sponsors who share the same vision with us of preparing students for the future. Our sponsors this year are Nedbank Zimbabwe, Lighthouse Print, CBZ, DHL, The Edge Group, Study in Poland Africa, Banc ABC and Old Mutual.

SCHOOL PLAY: FIDDLER ON THE ROOF

The English Drama Club produced the classic musical 'Fiddler on the Roof' this term, and it was a great blessing to the community in these difficult times. Sean Chizwina energetically and skilfully led the cast as Tevye the milkman, whose ideas and traditions are challenged as each of his daughters falls in love with someone not quite 'right'. There was much laughter as typical interactions arose between father and daughter, and between husband and wife as well – Hannah Goto did an excellent job as Tevye's wife Golde, the strong, practical mother. A favourite line comes from a conversation between Perchik (played by Tatenda Muzivi), wherein Perchik, as a protesting student, dismisses the rich and says that money is a curse. Tevye responds, "Then may the Lord smite me with it, and may I never recover!" We enjoyed some wonderful music played by Mr Ndekha and his band, and the cast and choir mastered a variety of songs, including 'Matchmaker' and 'The Dream'. A very well done to Chiedza Madzikanda, who played Tzeitel the eldest daughter and Frederick Boer, the hapless tailor; Munashe Nyamugama the second daughter, and Tinotenda Gondo as Chava, the third daughter. Sipho Kwidini also gave a bold performance as Lazar Wolf the butcher, not to mention the smaller village characters humorously portrayed, some by up-and-coming Form Twos. Producing a play requires a lot of hard work, time, and teamwork, and this team can be very proud of themselves!

CHRISTIAN EDUCATION SNIPPETS

Dear Colleagues,

Bad News abounds! It is like the acrid fog of smoke that we get in the middle of June each year in Zimbabwe! Wherever you look or listen it is there staring you in the face, beating out its wicked metronomic message, "DESPAIR, FEAR, DESPAIR, FEAR

finds great delight in his commands. We learn three things about such a person:

- I. He will be remembered forever.
- 2. He will have no fear of bad news.
- 3. His heart is steadfast, trusting in the Lord.
- Sadly Christians too readily succumb to the negative pressures around them and in doing so risk bringing a 'bad

report' (Num. 14:42) regarding God's ability to do something about their circumstances, however challenging they might be.

During the reign of King Hezekiah in Jerusalem, during a particularly difficult and stressful time for the nation, he received a letter from Sennacharib (the supreme commander of the Assyrian forces who was laying siege to Jerusalem). Sennacharib boasted, "Do not let the god you depend on deceive you when he says, Jerusalem will not be handed over to the King of Assyria" and claimed that God was powerless to rescue the people of Jerusalem from his hand. Hezekiah took the letter to the temple of the Lord and spread it out before the Lord, asking God to deliver His people from the hand of the enemy. God gave His reply to Sennacherib through Isaiah the prophet in the memorable words found in 2 Kings 19: 21-34: "The Virgin Daughter of Zion despises you and mocks you. The Daughter of Jerusalem tosses her head as you flee." In the account that follows we read, "That night the angel of the Lord went out and put to death 185,000 men in the Assyrian camp." They left in a hurry, having discovered the painful truth that our God is not like other gods! Israel won that battle without having to fight! Scripture reminds us that God is the same yesterday, today and for ever. He still cares for us and understands what we are all going through in this country! Let us daily or even hourly cultivate the habit of calling on our God and laying our fears before him. The circumstances may not change but our attitude towards them certainly will!

Remember your Creator in the days of your youth, Ecclesiastes 12:1

Graph question 2 student survey,

Graph on question 1 staff survey,

Graph question I parent

As you are aware we are in the final stage of our ACSI Initial Accreditation process and the journey thus far has been exciting and eye opening. Following the ACSI guidelines, we have been able to engage in a holistic self-introspection involving all the constituents of our school. Surveys sent out to the school constituents at the end of last year and beginning of this year provided the school with valuable feedback and recommendations have been derived from this feedback. We are grateful to all the students, parents, staff and alumni who managed to respond to the surveys. The response rate for each constituent is indicated in the visuals above. As a follow up on the surveys, the school will be hosting focus group discussions to get further details on areas needing improvement, as well as to reach out to some key constituents who may have missed out on the survey. Participants for the focus groups will be randomly selected. We appeal to members of our community to remain engaged with the school as we strive to provide quality Christian Education.

If you require further details on the process please feel free to approach the school or e-mail me on mgotora@gatewayhigh.co.zw

"OUR PURPOSE as a Bible-based Christian Educational Community is to glorify God through serving our nation and impacting the world."

"OUR VISION is for all members of our community to have a personal faith in Christ with a principled, well rounded character, equipped to reach their full potential."

"OUR VALUES are to: spread the Gospel and promote Biblical thinking; demonstrate the character of God by our conduct and relationships; reflect the diversity of God's creation in our community; value and care for each member of our community; be godly stewards; develop staff so that all our activities are characterised by excellence; develop godly selfworth, initiative, leadership and self-discipline; promote and encourage healthy competition, co-operation and communication; encourage our community to reach out in service."

Gateway School Trust

Remember your Creator in the days of your youth, Ecclesiastes 12:1
